

Project 1 – Nature – Due October 31

For this project for boys will make lists of plants and animals native to Manitoba and then identifying some of them in the “wild.” Parents may give help if required.

List trees, plants, birds and mammals that are native to Manitoba.

10 Trees or Shrubs	10 non-woody Plants	10 Birds	10 Mammals

Look around and identify in the field (anywhere outside) 17 of the species of trees, plants, birds or mammals that you listed above.

Name of plant/bird/mammal	Date Observed	Location Observed

Return by October 31, 2018

Name of Boy _____ Grade _____

Date Project 1 (Nature) Completed _____

Name of Supervising Parent/Guardian _____
